HOW CAN YOU HELP?

The Clearing "runs on volunteers." They serve in many capacities, including teaching classes in our Winter Program, staffing the Bookstore, leading hikes and rolling up their sleeves for whatever jobs need to be done. The Clearing would not be what it is—could not be what it is—without its volunteers. They do much to make The Clearing such a wonderful place.

If you would like to be a Clearing volunteer, please read through the various "job descriptions" on the reverse side of this card, then return your completed form to The Clearing. If you have questions about volunteering, please give us a call.
